Contest Rules: Your gingerbread house must be built on a plywood base. The base cannot exceed 12 by 18 inches. All materials for the house, besides the base, must be edible. You can use candies, gingerbread, frosting and any other edible supplies that appeal to you! You are only limited by your cooking skills and your imagination for your design.

The contest is split into three categories based on age, 5 to 12 years old, 13 to 18 years old and adults. We will select a winner for each category. Bring your gingerbread house to the white tent on Cass Street between Main and Wood Street on Saturday December 3rd between 2 and 3pm. Winners will be announced at 3:15. You don't need to be present and all winners are final. The winning houses will be on display at the Crete Public Library the week after Crete Country Christmas.

Also in the white tent there is a new event this year. We will have gingerbread men to decorate. The event starts at 2pm and continues for as long as the cookies last. Bring the kids for some fun gingerbread decorating!
