

Crete Country Christmas

December 1-3, 2017

Crete Country Christmas Food Vendor December 2, 2017

Crete Country Christmas creates a Christmas Village of its own on Cass Street every year. We love to feature great food and specialties. Having a select number of facades set up in the Country Christmas Village and some food trucks we are limited in space, so the quicker you sign up the better. All that we ask is no duplication of foods, so put your culinary skills to work and keep the Country Christmas crowd well fed. Once applications are turned in we will have a meeting with participants to finalize menus and these will be publicized in our brochures.
