Membership – We have just over 40 businesses members this year. Renewal letters and emails to go out this month with an opportunity to place a marketing ad in our quarterly Crete Community newsletter/booklet.

Workshops – We have had two successful workshops this year. We would like to continue to offer these workshops on a quarterly basis. Workshops are a great way to learn new skills and share your businesses abilities to serve our community and fellow businesses. Always looking for members who would be willing and/or ideas for something you would like to attend for future workshops.
